Governor Abbott's office approved to temporarily suspend a limited number of open meeting laws in response to the Coronavirus disaster. This action allows governmental bodies to conduct meetings by telephone or video conference to advance the public health goal of limiting face-to-face meetings (also called "social distancing") to slow the spread of the Coronavirus. Members of the public may attend in person at 411 Lohmans Ford Rd, masks and social distance protocol required. Members of the public may also participate by joining at:
